WERNER LET'S GO!

Based on the crazy adventures of the real-life German biker, Rötger Feldmann (friends call him BRÖSEL). You control a cartoon-style character (check out the great loading graphics and novel "mirror-image" joystick control) through 5 different levels including dice games, mad beer parties, the "Werner Panic-Tour", maniac motor-bike construction and a normal (?) drive in the fog-normal that is for WERNER!

SPECIAL ATTRACTIONS!

★ Novel "mirror-image" joystick control!
★ Power-Drills and melons!
★ Crazy Car and Bike Race!
★ Build your own chopper!
★ Outrun the police!

Ariolasoft UK limited is the exclusive licensee in the United Kingdom No. 74500
